Logic Models Worksheet for: African Union 6ᵗʰ Region USA   **Date:**

Theory of Change Logic Model - a general representation of how you believe change will occur. Logic models are visual method of presenting an idea. Knowlton & Phillips (2008) the Logic Model Guidebook – Better Strategies for Great Results

We know and believe that... **Identified Needs** – Why do you need to do this? How do you know? Define the assumptions that support the specified strategies– evaluation, research, practice, & theory that inform choices	**doing these** … **Description -** How would you summarize what you are doing to get there?	**will help us get there.** **Objective(s)** - Where do you want to get to?

• African Union (AU) defines the African as being divided into 6 Regions
• The 6ᵗʰ Region consists of peoples of African descent and heritage living outside of the continent; irrespective of their citizenship, and remains committed to contributing to the development of the continent and the building of the African Union.
• Geographically this large population, variously estimated at between 150-300 million people; they can be found in:
 1. USA
 2. Canada
 3. The Caribbean
 4. Central and South America (including Brazil; Suriname; French Guiana and Guyana)
 5. Europe
• To accept the invitation to participate as part of the AU, the Diaspora needs to be organized.
	• Participate in the Global dialog, International Relations, Peace and Stability of the African Continent
	
	• Create capacity building and exchange active programs on:
	 (1) Economic Cooperation and Sustainable Development
	  (a) Economic and infrastructure development, e.g., investment banking and micro finances, remittances, Trust Funds.
	
	• Encourage the Diaspora and Au to have open discussion on historical, socio-cultural and religious commonalities and challenges
	 i) Research the Diaspora ancestry and create a database
	
	• Participate in the dialog on women and Children
	  (a) Work with women's groups and the experts on gender issues
	
	• Promote knowledge and sharing amongst the members of the Diaspora and the AU
	  (b) Invest in the transfer of knowledge in science, research, development of technology & innovation
	
	• Support programs to address the issues of health and disability in the AU and the Diaspora
	  (c) Develop a sustainable exchange program for medical professionals in between the continent and the Diaspora
	
	• Commit to working with youth and engage them in discussions on their development
	  (d) Collaborate with youth experts and youth organization to develop appropriate and sustainable youth programs.
	  (e) Create a Canadian forum of young Africans, for training and employment
	
	• Address the issues of Media and Image building
	  (a) Hold open and honest discussions with the Canadian print media to change the image of Africa and its Diaspora
	  (b) Hold open and honest discussion to change the image of Africa and its Diaspora
	
	• Inviting all NGOs and individuals of the African Diaspora to become members of the African Union 6ᵗʰ Region USA
	• Holding face to face meetings with various stakeholder groups in the African Diaspora
		The African Diaspora to be united as the African 6ᵗʰ Region
		
		The African Diaspora as the 6ᵗʰ Region to become voting members of the African Union
		
		People of AU descent could move towards the unification of the Africa and making the union of Africa States (or United Africa States of Africa) a reality.
		
		To defend and maintain the true African Heritage
		
		To support and help the African Diaspora as well as individual organizations maintain order, unity and be effective in the society

Logic Models Worksheet for: African Union 6th Region USA   Date:

Logic Models provide a clear roadmap to a specified end. A program logic model details resource, planned activities, and their outputs and outcomes over time that reflects intended results. Logic models offer a way to describe and share an understanding of relationships among elements necessary to operate a program or change effort.   Knowlton & Phillips (2008)

Inputs – What are the resources that link directly to and will "supply" the activities[1]	Activities – What are the activities and processes needed to generate the outcomes?[2]	Outcomes – What are the specific changes in awareness, knowledge, skill and behaviour, often in initiative participants or organization, as a result of the activities? (Immediately? Intermediate? Long Term?)		
		Immediate outcome Specify timeframe:	**Intermediate outcome** Specify timeframe:	**Long-term Outcome** Specify timeframe:
- Members of the African Diaspora and Heritage living in USA - NGOs working with people of African descent - Consulate Generals, Ambassadors and High Commissioners representing the people of the African Diaspora and Heritage in USA - The TV and print media - Post secondary institutions - School boards - Government institutions - Financial institutions - Faith communities - Politicians - Professional organization in the African Diaspora - Funding institutions	Inviting the African Diaspora, organizations and individuals to be involved in the development of the African Union 6th Region USA Recruit membership into the African 6 Region USA Hold regular meeting to educate individuals and organizations in the African Diaspora on 'the 8 commissions' and 'aims and objectives' of the African Union 6 Region USA Engage in youth activities in the various communities Have an information centre establishes, Public Relations office Training and equipping leaders of member organisations for good governance through conferences and educational workshops Develop and a website Promote African Arts and Culture Provide legal on legal and welfare aid issues Conduct research and develop affordable housing the African Diaspora Develop program for seniors in the African Diaspora that are culturally specific Work with individuals and organisations whose focus is to address the disparities and gaps in the health care system that acts as barriers for the Diaspora	Begin the dialogue and engage individuals and organization of the African Diaspora By October 2011, have three sub-regions of the African Union 6 Region USA established.	By xxxx form alliances with individuals and organizations in the African Diaspora	By 2013 have the members of the African Diaspora and Heritage living in USA unified as one under the African Union 6 Region USA

[1] What do you need to accomplish the named activities to occur? Include human, financial, organizational, community, or system resources in any combination
[2] What are you going to be doing? Describe the specific action steps that will bring about the intended results. Description should include tools, processes, events, technology, devices and actions that are intentional

Logic Models Worksheet for: African Union 6ᵗʰ Region USA   **Date:**

Indicators/Performance Measures	**Process/Outputs[3]**	**Outcomes**	
▪ Name the outputs or products that reflect the accomplishment of activities ▪ What would tell you that these outcomes are achieved? ▪ What would tell you that you are getting there?			

---

[3] Quantified and qualified, describes types, levels, & audiences or target delivered. Who, when, where do we reach? What? How many? How often?
